PO Box 180281 • Arlington, TX 76096 • (214) 715 - 7510

## WORK EXPERIENCE

---

**Texas Certified Development Company, Inc.** - *Credit Analyst Intern*; Austin, TX July 2013 – Dec 2016

- Created a VBA spreadsheet to generate a report of the status of loan production to compare with management's fiscal budget
  - Reduced the CEO's weekly one hr. commitment to update report to one minute with macro
- Built VBA form to aid if applicant's business affiliates would impact eligibility for a SBA 504 loan
  - The form automated the creation of new row entries, which allowed loan officers to focus on the affiliate's financials rather than styling

## TECHNICAL EXPERIENCE

---

### Projects

- **Setup Home File Server using FreeNAS** (2017). Repurposed old netbook PC with NAS and connected mobile devices and home computers to server stored with eBooks, music, and video tutorials
- **Android App** (2017). Creating a Pomodoro Timer clone app which acts like a game to incentivize the user to continue and finish as many Pomodori possible in a day
- **LonasGardeningService.com** (2017). Registered domain, setup web hosting, and customized a CSS website template for a thriving small landscaping business in Los Angeles, CA
- **Arlington Public Library Computer Instructor** (2017). Taught entrepreneurs and small business owners how to design, develop and manage their business website using HTML, CSS, Bootstrap, and JavaScript
